## Alcoholic Beverage Control Board

### Application for a License to Sell or Serve Alcoholic Beverages

The Alcoholic Beverage Control Board meets the first Wednesday of each month at 7:00 p.m. in the Council Chamber, City Hall, 160 Duke of Gloucester Street, Annapolis.

**Filing fee:** See *Fee Schedule*. Payable to City of Annapolis, non-refundable

**Application due:** See *submission schedule below*

**Special exception approval:** Restaurants seeking an alcoholic beverage license are required to obtain Special Exception approval or a Certificate of Use prior to submission of their application to the Alcoholic Beverage Control Board. Contact the Planning and Zoning Department at 410-263-7961. Please submit a copy with your application.

#### General information:

1. No more than one alcoholic beverage license may be issued to any person in the City of Annapolis.
2. Any new license issued shall be placed in use within six (6) months of the date of the granting of the license. If not used within the six (6) month period, the license shall be null and void.
3. The Board shall not approve an application for the transfer of a license until all of those financial obligations of the transferor business have been paid or satisfied. An affidavit to that effect must be submitted with your transfer (City Code 7.12.180C).
4. A holder of an alcoholic beverage license, or an employee designated by the licensee, must successfully complete training in an approved alcohol awareness program. This requirement must be fulfilled prior to the issuance of the alcoholic beverage license. (Annotated Code of Maryland, Article 2B, Section 13-101.)
5. Fingerprinting for State background check is **required**. Please contact the Clerk's Office for details.
6. All licenses expire on April 30<sup>th</sup> of each year. The fee for licenses issued after May 1<sup>st</sup> shall be prorated on a quarterly basis.
7. Types and classes of licenses and fees are found in the [Rules and Regulations](#) on the City website.
8. Please include a cover letter which includes the information requested by Planning and Zoning. (See the memo attached at the end of this packet.)

**All licensees are required to be present at the hearing.** If you desire, you may be represented by counsel. Please contact this office if you have any questions or need assistance.

## Applying for a License to Sell or Serve Alcohol

1. The issuance of alcoholic beverage licenses is governed by state law, namely, Article 2B Annotated Code of Maryland. Specific requirements are set out in Section 10-102. These guidelines paraphrase those requirements.
2. You must convince the Board that there is a public need or desire for the license. Note that the need or desire must be on the part of the *public*, not on the part of the applicant. If you cannot show public need, then the Board is mandated by Article 2B to disapprove the application.
3. You must address the number and location of existing licenses and the potential effect on those existing businesses. Discuss the commonality or uniqueness of the products and services to be offered by the applicant's business.
4. Discuss the impact on the general health, safety and welfare of the community. In particular, discuss issues related to crime, traffic, and parking.
5. If the Board determines that the business will unduly disturb the peace of those residing in the neighborhood, it cannot grant the license.

## Memorandum

To: License Applicant

From: Jon Arason, AICP  
Planning and Zoning Director

RE: Review of License Applications

In order to more efficiently review applications for alcoholic beverage licenses, please attach a cover sheet to each application sent to this department for review that provides the following information:

- Is the applicant the existing owner or a new owner?
- Is the applicant making any changes to the existing business?
- Is there any change to the seating capacity?
- What are the hours of operation of the business?
- What type of alcoholic beverages are proposed to be served: beer only, beer and wine, or beer, wine and liquor?
- If the business is currently in operation, is what is proposed in any way different from what is currently done?
- Is the type of alcoholic beverage license consistent with the actual operation of the business?
- If there is now an existing license for the business or there has been one in the last two years, please provide details as to what that license allowed if it is in any way different from the current license application. This would include hours, type of alcoholic beverages to be sold, any changes to the floor plan or to the number of seats.

Thank you in advance for your cooperation.
